PIA of S. Carolina Announces a Workers Compensation Program for Member Agencies

On behalf of its members, the PIA of S. Carolina has partnered with Agency Resources to provide a workers compensation market for you to use. Agency Resources is a leading national workers compensation wholesaler and will be able to give you access to several competitive, "A" rated markets. This program will be available to all members effective June 1.

With the changes that will occur in the marketplace over the next couple of years, we hope this arrangement will help you remain a competitive force in your community for both small business and large lines.

Be on the lookout for a package from Agency Resources which will include a program manual and agency agreement. If you have any questions, please do not hesitate to call or email us and we will be happy to help.

Also, please remember PIA provides ad copy to its members to help promote your agency. A sample follows.

because we're small business owners too. Like you,
we treat each one of our clients with care and respect.**

And although we're small enough to care about you, we're experienced enough to serve you. We understand that just like every industry is unique, so is every business. We have the experience and resources available to answer your questions and provide useful coverage options.

Turn to us, your local Professional Insurance Agents. We don't just sell insurance; we forge a relationship. We really are Local Agents Serving Main Street America™.

Whether your small business is just getting off the ground or going to the next level, please give us a call or stop by our office so you can see why so many other local businesses come to us with their insurance needs. You'll discover that insuring your small business is a big deal to us.
